

## LOAN AGREEMENT

- ☐ **RRH Insured Loan to an Individual Operating on a Profit Basis**  
or  
☐ **RRH Loan to an Individual Operating on a Limited Profit Basis**

1. **Parties and Terms Defined.** This agreement dated \_\_\_\_\_ of the Undersigned  
\_\_\_\_\_, herein called "Borrower" whether one or more, whose post  
office address is \_\_\_\_\_ with the United States of America acting  
through the Rural Housing Service, or a successor agency, United States Department of Agriculture, herein called  
"Government,"  
is made in consideration of a loan, herein called "the loan", to Borrower in the amount of \$\_\_\_\_\_  
made or insured, or to be made or insured, by the Government pursuant to section 515(b) of the Housing Act of 1949 to  
build a \_\_\_\_\_ project.  
The loan may be sold and insured by the Government. The loan shall be used solely for the specific eligible purposes for  
which it is approved by the Government in order to provide rental housing and related facilities for eligible occupants, as  
defined by the Government in rural areas. Such housing, facilities, and the land constituting the site are herein called "the  
housing". The indebtedness and other obligations of Borrower under the note evidencing the loan, the related security  
instrument, and any related agreement are herein called the "loan obligations".

2. **Execution of Loan Instruments.** To evidence the loan the Borrower shall issue a promissory note (herein  
referred to as "the Note"), signed by the Borrower for the amount of the loan, payable in installments over a period of  
\_\_\_\_\_ years, bearing interest at a rate, and containing other terms and conditions, prescribed by the  
Government. To secure the note or any indemnity or other agreement required by the Government, the Borrower is to execute a  
real estate security instrument giving a lien upon the housing and upon such other real property of the Borrower as the  
Government shall require, including an assignment of the rents, subsidies, revenues and profits as collateral security to be  
enforced in the event of any default by the Borrower, and containing other terms and conditions prescribed by the Government.  
The Borrower is to execute any other security instruments and other instruments and documents required by the Government in  
connection with the making or insuring of the loan. The indebtedness and other obligations of the Borrower under the note, the  
related security instrument, and any related agreement are herein called the "loan obligation".

3. **Equal Opportunity and Nondiscrimination Provisions.** The Borrower will comply with (a) any undertakings and  
agreements required by the Government pursuant to Title VIII of the Civil Rights Act of 1968 as amended by the Fair Housing  
Amendments Act of 1988 related to Fair Housing regarding nondiscrimination in the use and occupancy of housing, (b) Form  
RD 400-1 entitled "Equal Opportunity Agreement", including an "Equal Opportunity Clause" to be incorporated in or attached  
as a rider to each construction contract the amount of which exceeds \$10,000 and any part of which is paid for with funds from  
the loan, and (c) Form RD 400-4, entitled "Assurance Agreement (under Title VI, Civil Rights Act of 1964)", a copy of which is  
attached hereto and made a part hereof, and any other undertakings and agreements required by the Government pursuant to  
lawful authority.

4. **Borrower Contribution.** The amount of \$ \_\_\_\_\_ to be  
contributed from the Borrower's own funds for land purchase or development will be placed or deposited with the lender  
and dispersed prior to any disbursement of interim or loan funds from the Government.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid  
OMB control number. The valid OMB control number for this information collection is 0575-0047. The time required to complete this information  
collection is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering  
and maintaining the data needed, and completing and reviewing the collection of information.

5. **Accounts for Housing Operations and Loan Servicing.** The borrower shall establish on its books the following accounts, which shall be maintained so long as the loan obligations remain unsatisfied: a General Operating Account, a Tenant Security Deposit Account and a Reserve Account.

a. **General Operating Account.** By the time the Government loan is closed or interim construction funds are obtained, whichever occurs first, the Borrower shall provide cash from the Borrower's own funds in an amount totaling

\$ \_\_\_\_\_. Any cash will have been deposited in the General Operating Account.

b. **Reserve Account.** Transfers at a rate not less than \$ \_\_\_\_\_ annually shall be made to the Reserve Account until the amount in the Reserve Account reaches the minimum sum of

\$ \_\_\_\_\_ or such higher amount later agreed to with the Government and shall be resumed at any time when necessary, because of disbursements authorized by the Government from the Reserve Account to restore it to said sum. Withdrawal and use of funds deposited to this account will be in accordance with 7 CFR part 1930, subpart C or any successor regulation. With prior consent of the Government, funds in the Reserve Account may be used by the Borrower:

1) For any purpose desired by the Borrower, provided the Borrower determines that after such disbursement (a) the amount in the Reserve Account will be not less than that required by this section to be accumulated by that time (less any disbursements authorized by the Government), and (b) the amount in the Reserve Account will likely not fall below that required to be accumulated during the next 12 months.

2) To pay dividends to the Borrower agreeing to limit the amount of profit to be obtained up to 8 percent per annum of the borrower's initial investment of \$ \_\_\_\_\_ provided the Borrower determines that after such disbursement (a) the amount in the Reserve Account will be not less than that required by this section to be accumulated by that time (less any disbursements authorized by the Government), and (b) the amount in the Reserve Account will likely not fall below that required to be accumulated during the next 12 months.

6. **Regulatory Covenants.** So long as the loan obligations remain unsatisfied, the Borrower shall comply with all appropriate regulations of the Government and shall:

a. Impose and collect such fees, assessments, rents, and charges that the income of the housing will be sufficient at all times for operation and maintenance of the housing, payments on the loan obligations, and maintenance of the accounts provided for herein.

b. Establish and maintain complete books and records relating to the housing's financial affairs, cause such books and records to be audited at the end of each fiscal year, promptly furnish the Government without request a copy of each audit report, and permit the Government or its representative to inspect such books and records at all reasonable times.

c. If required or permitted by the Government, revise the accounts herein provided for, or establish new accounts, to cover handling and disposition of income from and payment of expenses attributable to the housing or to any other property securing the loan obligations, and submit regular and special reports concerning the housing or financial affairs.

d. Unless the Government gives prior consent:

1) Not use the housing for any purpose other than as rental housing and related facilities for eligible occupants.

2) Not enter into any contract or agreement for improvements or extensions to the housing or other property securing the loan obligations.

3) Not cause or permit any transfer or encumbrance of title to the housing or any part thereof or interest therein, by sale, mortgage, lease, or otherwise.

4) Not borrow any money, nor incur any liability which would have detrimental effect on the housing.

e. Submit for the housing the required reports as per 7 CFR part 1930, subpart C or any successor regulation for prior review.

- f. Take other actions as may be required by the Government in connection with the operation of the housing, or with any of the Borrower's operations or affairs which may affect the housing, the loan obligations, or the security.
- g. If the return on investment for any year exceeds 8 percent per annum of Borrower's initial investment of \$ \_\_\_\_\_, the Government may require that the Borrower reduce rents the following year, refund the excess return on the investment to the tenants, or use said excess in a manner that will best benefit the tenants.

## 7. General Provisions.

- a. It is understood and agreed by the Borrower that any loan made or insured will be administered subject to the limitations of the authorizing act of Congress and related regulations, and that any rights granted to the Government in this agreement or elsewhere may be exercised by the Government in the Government's sole discretion.
- b. Borrower shall comply with all covenants and agreements set forth in the note, security instrument, and any related agreements executed by Borrower in connection with the loan.
- c. The provisions of this agreement are representations to the Government, to induce the Government, to make or insure a loan to the Borrower as aforesaid. If the Borrower should fail to comply with or perform any provision of this agreement or any requirement made by the Government pursuant to this agreement, such failure shall constitute default as fully as default in payment of amounts due on the loan obligations. In the event of such failure, the Government at its option may require specific performance, declare the entire amount of the loan obligations immediately due and payable and, if such entire amount is not paid forthwith, may take possession of and operate the housing and proceed to foreclose its security and enforce all other available remedies, or take such other actions as it deems necessary to enforce the provisions of this agreement.
- d. Any provisions of this agreement may be waived by the Government in its sole discretion, or changed by agreement between the Government and the Borrower to any extent such provisions could have been foregone or agreed to in amended form, initially.
- e. Any notice, consent, approval, waiver or agreement must be in writing.
- f. The Borrower agrees that no person with a disability would be subjected to discrimination in employment or denied the benefits of the housing because of such disability. It will comply with the requirements of the Fair Housing Act, 42 U.S.C. 3601 **et seq.**, the Fair Housing Amendments Act of 1988, the Rehabilitation Act of 1973, 29 U.S.C. 794, the Americans with Disabilities Act of 1990, 42 U.S.C. 12101 **et seq.**, and the implementing regulations of the Department of Agriculture, 7 CFR part 15b.
- g. This Loan Agreement shall be subject to the present regulations of the Government and to its future regulations and provisions hereof.
- h. This agreement may be cited in the security instruments and any other instruments as the Loan Agreement of \_\_\_\_\_, \_\_\_\_\_ ".
